FamilyCare HEALTH CENTERS

Our Services

Family Care Health Centers (FCHC) provides multiple medical services at all three of our locations. These services include primary medical, dental, behavioral health, vision, nutrition services and WIC, pharmacy, laboratory, and specialty services such as chiropractic and podiatry care.

Primary Care - Adult care, pediatrics, internal medicine, laboratory services, OB/GYN, pain management.

Dental - Teeth cleanings, sealants, extractions, fillings, crowns, partial and full dentures.

Pharmacy - Patient prescriptions can be filled on-site, and FREE home prescription delivery to our patients.

Behavioral Health - Person-centered and trauma-informed care for children, adults and seniors.

Nutrition Services & WIC - Our nutrition services department offers medical nutrition therapy, lactation services and the Missouri WIC program.

Optometry - FCHC partners with UMSL's College of Optometry providing primary eye care services including examinations and eyeglasses.

Specialty Services - FCHC offers chiropractic and podiatry services at our locations.

Community Health - FCHC's team of caring individuals committed to helping people get medical care they need.

Our Patients

Family Care Health Centers is a patient-centered medical home. It's a place where our patients are heard, listened to, and cared for by a team of exceptional clinicians dedicated to helping individuals live the healthiest life they can at every stage of life.

Each patient is at the center of the decision-making process.

Insurances Accepted

Family Care Health Centers accepts **Medicare**, **Medicaid**, and **most private insurances**, and has a sliding-fee scale for the uninsured, with charges depending on income and family size.

INSURANCES FCHC ACCEPTS:

- Medicare
- Medicare Advantage Plans
- Medicaid
- Most private insurance plans

Charges for individuals without insurance are calculated on a sliding fee depending on income and family size.
